## CACI Synergy Non Surgical Solutions

For the first time on the market, our skincare specialists are able to harness the power of LED light therapy at the same time as using micro-current. The dual action of simultaneous LED and micro-current energy stimulates tissue regeneration and helps in the production of collagen. The synergy of these two technologies provides more visible and longer lasting results.

The CACI Synergy offers: new S.P.E.D™ micro-current LED technology, orbital dermabrasion, ultrasonic peeling and CACI's unique Wrinkle Comb (a non-invasive alternative to dermal fillers).

All our CACI Synergy treatments are performed by fully trained CACI therapists.

### CACI Signature Non-Surgical Facial Toning

This non-invasive facial features S.P.E.D Dual Action Technology that provides simultaneous skin rejuvenation and facial toning. This treatment uses microcurrent impulses, to lift and tone and LED light therapy to improve skin elasticity and reduce the appearance of fine lines and wrinkles. Firms your face and gives your skin a more youthful, fresh appearance and glow.

1hr - £75

Course of 10 £675

### CACI Synergy Advanced Non-Surgical Facial Toning

Combines CACI's Signature Non-Surgical Facial Toning with advanced skin exfoliation techniques to revitalise your skin, resulting in a brighter and smoother complexion. A combination of advanced technologies are used to plump fine lines and wrinkles, instantly lift and tone your face and firm your neck.

1 ½hr - £100

Course of 10 £900

### CACI Synergy Jowl Lift

The CACI Jowl Lift has been developed to specifically target muscle laxity around the jawline which can cause drooping jowls and loose skin. This treatment is specially designed to lift and firm the muscles and refine facial contours to give a firmer, more toned appearance.

½hr - £40

Course of 6 £200

### CACI Eye Revive

Lift and firm muscles around your eye area, particularly where you may tend to lose definition as you age. This treatment uses serum-filled microcurrent rollers together with the soothing and calming Eye Revive Mask to reduce puffiness and dark circles and soften the appearance of fine lines and wrinkles around your eyes.

½hr - £40

Course of 6 £200

### CACI Synergy Rejuvenation

The Ultimate Skin Rejuvenation treatment uses ultrasonic peeling or controlled orbital microdermabrasion to exfoliate and deeply cleanse the skin, leaving a brighter, smoother complexion.

#### **Acoustic Wave Therapy AWT**

The technology uses gentle waves to break up cellulite connective tissues, releasing dimples and increasing lymphatic blood flow. It is non-invasive and pain free.

**What is Acoustic Wave Therapy (AWT)?** AWT was developed in Switzerland and has been used in the medical world for years to break up kidney stones and ease joint pain by firing acoustic shockwaves into problem areas. It was purely by accident that its cellulite dissolving properties were discovered. While treating muscle injuries in athletes doctors noticed a marked improvement in the appearance of the skin in the areas being treated.
